

PALEO FRIENDLY

Program Standards and Specifications

1. Paleo Friendly™

The Paleo Friendly Requirements for Grain-Free, Legume-Free, Artificial Coloring, Artificial Preservatives, Artificial Sweeteners and Artificial Flavor Enhancers-Free Products are outlined herein. These standards apply to all products certified by The Paleo Foundation for the the Paleo Friendly Program. Only certified Products following these standards are explicitly given the rights to use Paleo Friendly logos, trademarks, certification marks, or other design marks hereinafter referred to as “Paleo Friendly label”.

1.1 Applicability

The Paleo Friendly label was developed and trademarked by The Paleo Foundation Inc. to identify food products that meet the standards of the Paleo Diet. The Paleo Friendly™ Label is a certification mark registered with the U.S. Trademark and Patent Office, and its use is only permitted by those who have entered into a contractual agreement with The Paleo Foundation Inc. The Paleo Friendly™ Label was designed to establish an easily identifiable mark indicating that a product has met the strictures of the Paleo Diet and merit use of the Paleo Friendly Label. Paleo Friendly requirements may be amended periodically based on current research.

1.2 Guidelines

1.2.1

The Paleo Friendly label is allowed to be used on packaging, promotional materials, point of purchase materials, websites, sales literature, banners, company stationery, and other advertising materials. Use of the Paleo Friendly label must comply with the guidelines as outlined in this document. If a company wishes to present the logos in a manner other than as described in Statement of Use Guidelines, The Paleo Foundation Inc. must approve the request and give permission in writing to the Producer.

1.2.2

Producers may display the Paleo Friendly™ label only on products that have been certified by The Paleo Foundation.

1.2.3

Producers must have a contractual agreement with the Paleo Foundation to use the Paleo Friendly label.

1.2 Guidelines CONTINUED

1.2.4

Producers may only use the trademark on company stationery if the entire product line has been audited and certified Paleo Friendly.

1.2.5

If the entire product line has been audited and certified Paleo Friendly, Producers may display the Paleo Friendly label on their entire website.

1.2.6

If the entire product line was not certified, the Paleo Friendly label may appear on a page containing audited and certified Paleo Friendly products only.

1.2.7

Products that have not been audited and certified Paleo Friendly are not permitted to appear on the same page as the Paleo Friendly label, as this could be misleading to consumers.

1.3 Use of the Paleo Friendly™ Label

1.3.1

To complete the application process, the applicant must sign an affidavit stating that all answers and statements provided in their application were true to the best of their knowledge.

1.3.2

Use of the Paleo Friendly™ label is only permitted after audit and certification by the Paleo Foundation of the applicant's product ingredients and suppliers list.

1.3.3

Paleo Friendly retains the right to make unannounced visits to applicant's commercial kitchen, manufacturing plant, or processing center to verify that all Paleo Friendly Requirements are continuously being met.

1.3.4

Paleo Friendly retains the right to inspect the applicant's products to verify that all Requirements are met.

1.3.5

Use of The Paleo Friendly label for any product which does not meet each of the Paleo Friendly Requirements, has not been audited, or has not been given explicit permission is strictly prohibited.

1.3.6

Misuse of The Paleo Friendly™ Label will result in immediate suspension of the agreement and/or prosecution.

1.3 Use of the Paleo Friendly™ Label CONTINUED

1.3.7
