

# MULAY'S

---

Mulay's is not just another sausage! Let us help increase your basket sales with focus on Antibiotic Free, Heritage Pork, no sugar, no allergen sausages in both raw and cooked varieties. This well respected, high-end brand is crafted in the old world tradition starting with Nana's recipe handed down through the generations. Our incredible flavor profiles and healthy attributes will please even your most picky shopper. Beautiful, high-end packaging is backed with strong social media and promotional programs. Savvy in the Social Media & PR the world Mulay's will soon be featured on the Food Network in a new show Food Quest hosted by Mario Lopez.

Checking all the “must have” boxes on today's consumer list:

- ✓ Antibiotic Free
- ✓ Animal Welfare
- ✓ Raised in the USA
- ✓ Gluten Free
- ✓ No Sugar
- ✓ Paleo
- ✓ Environmental Stewardship
- ✓ Woman Owned Business
- ✓ Mulay's Give Back

Mulay's has had great success across the western U.S. We know that shoppers who care about quality ingredients and *taste* choose Mulay's. But please don't take our word for it. *“If I were forced to choose one sausage maker to buy from for the rest of my life... Mulay's would fill a top 3 finalist spot. 5 Stars – Best of the Best!” Sausage Reviews – Larry*
